The Friday Golf Croquet Team were 2nd in their division.

The Assoc. Team won 5 of their 6 matches and lost their division by 1 match point.

Lyn and Neville won their section of the Johnson Memorial Saturday morning competition and in the playoff were Runners Up. Congratulations to all the pre-Christmas players.

Three 2 person teams have been entered in the Saturday morning Atkins Trophy for golf croquet games to be played in the New Year. Our teams are Lois and Howard Pettigrew, Lesley Smith and Wil Henderson and Rosalind and Tony Thomson.

The Carol Heyward AC handicap tournament for the over 60's begins on the 24 January.

Fund Raising

The WDC Customer Satisfaction Survey was a very good boost to our funds. Nett this contributed \$1775.48.

Many thanks to Mark who has brought his own mower to mow the strip between the lawn and the fence. After the success of the Survey we have been able to authorise the purchase of our own rotary mower.

Our grateful thanks to Jennie Marsh, Glenda Hawke and Charlie Barnes who sold raffle tickets outside New World, in the cold, on the 1st December.

Club Rooms

We are pleased to announce that we have let the contract to insulate and line the building, complete the toilet and construct the mallet room storage area. We are in the process of buying a flat pack kitchen. Mary has prepared an application for a grant for tables and chairs.
