

CLUB NEWS LETTER

October 2020

News from the October Committee meeting.

AC Captains Report: We won two of our three games in the Johnson. Overall we lost in AC to United. However, Alister won his singles game. He was the star of the day pegging out in his match.

GC Captains report: We are heading into our third week of interclub games and all teams are doing well. Three members had their handicaps come down. There have been two or three people come into the club to try GC, one of these took an application form home and we are hopeful that the others will return.

Club Competitions: The ladder is set up so start your challenges. Club single and pairs competition will be played again this year. Pairs should be played first and can **begin ASAP**.

Ryman Fun Day: The committee decided to hold a fun afternoon for **“Come and Try Croquet” on Friday Nov. 13th**. This will fulfil our second fun day obligation to Ryman.
